Colombia es como una flor
Colombia es divina como el sol
como el cielo divino
como un árbol
como un chocolate
Colombia eres luna de mi
eres luceros en el cielo
eres nube blanca que cubre
nuestro cielo
Colombia rayo de luz
Colombia es mi país
donde yo nací

Colombia is a flower
Colombia is divine like the sun
Like the heavenly sky
Like a tree
Like a chocolate bar
Colombia you are a honey moon
You are the bright stars
You are the white cloud covering our sky
Colombia, Little ray of light
Colombia is my country
Where I was born
