What is Moldova?
Moldova is a country
Or a singing bird.
Is Moldova a country?
Yes, it is.

Moldova is my native land.
Moldova is a bunch of grapes
Like the grief of a mother.
Moldova is a song of birds.

Moldova is a joyful game.
A tender thrill of the lyre
Made by the whisper of the leaves.
Moldova is a sweet song.

When you hear it you can't leave.
Moldova is an amazing poem
When you hear it you stop.
Moldova is a gay flower

A rose among lilies of the valley.
Moldova is a diamond.
Valued by the whole world.
But the most important is
That Moldova is my native land.

*Patru' mea, Moldova
te e Moldova cauz
Moldova o fante.
Sau o pasare cinstitoare
Moldova o fete?
Da!
Moldova e patria mea!
Moldova e un strigut de poezie
ca o jale de mama.
Moldova e un cete de ucirai,
Moldova e un jec vent de sepi,
sau fumeat dinos de la ra.
Pe rare fumele-t reptira.
Moldova t-un cintec dulce
cand auzi; nu te poti duce,
Moldova e un vers de foc
cand auzi; te stai pe loc.
Moldova e o vesela fante
Un translatie intre lacrimiciu,
Moldova e un diamant polat
De foaie luna pe fuit.
Dar se mai important e: da!
Moldova e patria mea!
cu rfi ni cinti stramgat
Aa te vor cinti se urmasi.*
